

Excellent Poster Award

Recipient: Mr. Taro Noguchi

In the poster session, under the sponsorship of the 8th Takeda Science Foundation Symposium on PharmaSciences titled “Biomolecule-Based Medicinal Science: Featuring Mid-Size Drugs”, your research work to which you made entry received excellent appraisal.

This certifies, therefore, that you congratulatorily deserve receiving this Excellent Poster Award.

Poster Title: “Facile Access to the Mirror-Image Library of Chiral Natural Product Derivatives: Application for Identification of an MDM2-p53 Interaction Inhibitor”
